Auvic Address, C. J. Adkins, John Fate Beavers, J. W. Brunson, Farrow Burns, George Campbell, Gwynn Davis, Willie Doby, George Erwin, Gilbert Freedman, Charles Herring, John Howard Jr., John Calvin Jenkins, Leland Jones, Leray LaBaume, C. O. LaRue Jr., J. E. McCoy, Paul Parnell, Lesley Shelburne, A. J. Shepard, Irvin Smith, W. B. Teague, Marvin Tinsley, Guyce Townsend, James Whittaker, L. B. Williams, Dee Young.

Girls: Juanita Adams, Lois Agnew; Vivadell Anderson, Leota Bailey; Minnie Campbell; Betty Cluney; Victoria Crow, Altha Emerson, Maurene Farrow; Annie Merle Ferguson; Carolyn Greenway, Gladys Harris; Lois Harris; Hannah Margaret Hudson, Josephine McCoy; Mary Beth Moody; Ione Morris; Latina Morris, Alvaleen Murphree, Lucille Newsom; Brooxie Nell Nickols; Melva Ramsel, Estaline Richardson; Betty Myrle Routh, Annie Rush; Doris Steed, Willie Walker.

HAMLIN MISSION

The blessings of the Lord have been greatly manifest in the work of the Mission lately. Our "Pep" Squad, consisting of several young preachers whom we give three 15 minute periods in our young people program, from 7:15 to 8:15, each Sunday, are greatly enjoyed.

Rev. Priddy will preach for us the fifth Sunday night of this month.

For several months, I have had a growing conviction, of need of an open minded study of the HOLY GHOST. And beginning Monday night at 8:15, and each night during the week, we will take up this subject, under the following caption.

THE HOLY SPIRIT

Text: "He Shall Baptise You With the Holy Ghost, and with Fire."

Luke 5:16.

WHO is the HOLY SPIRIT.

THE OFFICE WORK of the HOLY SPIRIT.

HIS DWELLING PLACE.

HIS ADMINISTRATION.

AS A TEACHER.

A REPROVER OF SIN.

IN CONVICTION N.

AS A GUIDE INTO THE TRUTH OF GOD.

AS A COMFORTER.

PENTECOST.

THE BAPTISM WITH THE HOLY SPIRIT.

IN REGENERATION.

THE GIFTS OF THE SPIRIT

THE BAPTISM WITH FIRE.

IN PERFECT LOVE.

We shall endeavor to deal with this Great Bible Doctrine in Strict Harmony with Revealed Truth Only.

We will have a question box, in which we hope to collect many important questions, which will be answered only from the Bible.

A hearty welcome to every one to come and bring your Bibles and questions.

Dr. L. P. McCrary.

Mrs. Cleve Dunn left Wednesday for Ruidose to open her Texas Cabins for the summer season.

While Mrs. Dunn is away Mrs. Frank Johnson will be in charge of The Rose Shoppe.

Mrs. Ray D. Russell and little daughter, Janis, returned Friday from a two weeks visit with relatives in Wylie and Fort Worth.

HAMLIN HAS AN INTERURBAN COACH

Believe it or not, Hamlin has an Interurban. The first coach to arrive in this city was on Wednesday night. Everything is ready now except the track and the electric line.

Perk up your ears and say "what about it." Here are the facts: The car is numbered 23 and styled the Dallas Limited. It is a full-fledged first class car, one that in days before the automobile put it out of commission whizzed between Fort Worth and Dallas, in the good old days when people went somewhere and rode trains and thought the Dallas Ft. Worth Interurban Special coaches were the very "dink tum." Modern traffic stopped all that. People quit the rail and the interurban as well. The coaches were junked, and rails were junked, and the right-of-way was junked.

Here are some more facts. Out farther west, let us say, at Kermit, Texas, where the oil rush is still going, where the folks live and laugh, drink and dance, they enjoy novelties of life. There is where the "Dallas Limited" is headed for its final resting place.

This car was trucked on special wheels, and it weighs about 40,000 pounds, and by special permission of the Highway Dept., Frank Cox, of Hamlin started west with it. They arrived here Wednesday night, finally parked it back of the Cox Cafe and early Thursday it was the show of the "country-side." It looked canny and almost impossible to see that pile of iron, glass, upholstery, glimmering there in the morning sun. There was a day when Hamlin really did think they would get an interurban—they have for a short time. Cox is taking it to Kermit to annex to it a 40-foot room and connect it to the "Interurban" parlor. Customers will have, plush cushion seats, fans, fancy windows, and every modern convenience. It ought to coin Cox some money.

—The Herald 1 Year for \$1.00.

R. A. CAMP WILL BE HELD AT LUEDERS

The third district R. A. Camp will be held at Lueders Encampment grounds, June 8, 9 and 10. Begins Monday afternoon and closes Wednesday, at noon. Don't allow your boys to miss this opportunity. It will mean a great deal to them physically, socially, mentally and spiritually.

All rural Baptist churches are urged to send boys above nine years old chaperoned by an adult preferably a man. Your church could make no better investment than to pay the way of boys not able to pay their own. Each boy pays 50 cents for his food or takes food worth that amount chosen from the following list which is based on enough food for 12 boys. Increase or decrease it according to number of boys attending.

6 lbs. flour, 2 lbs. sliced bacon, 2 lbs. dried apricots, 2 lbs. butter, 10 lbs. Irish potatoes, 1 lb. coffee, 1/4 lb. tea, 2 lbs. navy beans, 2 lbs. pinto beans, 1 lb. shortening, 2 lbs. cabbage, 5 loaves sliced bread, 1 dozen eggs, 1 doz. apples, 6 doz. cookies, 3 pts. jelly, 1 pt. salad dressing, 1 qt. pickles, 1 cake, 2 No. 2 cans blackeyed peas (or jars) 2 No. 2 cans corn or jars.

Mrs. J. B. Buckley, District Young People's Leader, will be in charge. Rev. J. D. Brannon, District Missionary and other pastors of the 17th District, will have oversight.

Make it possible for your boys to attend, please.

Boys who do not belong to R. A.'s to attend this camp. Each boy should bring:

A picnic lunch for Monday night.

Last week Mr. and Mrs. John Green spent several days in Milford and Dallas. While in Dallas they attended a big meeting of the Dodge and Plymouth Dealers at the Baker Hotel. John slipped off from his wife and took a peep at the Centennial grounds. He thought the whole thing already a great show. Mrs. Green says she will return to the real Centennial and leave John in Hamlin for that.

—The Herald 1 Year for \$1.00.

MUNDAY PLAYS LEAGUE LEADERS HERE SUNDAY

Munday and Hamlin play another Wichita Valley League game in the local park Sunday afternoon at 3:30 P. M. Munday has obtained Homer Lewis, Wichita Falls pitcher, who will face the locals. Munday's only weakness so far this season has been in their pitching and they assert that Lewis will take care of this in a satisfactory manner for them. Lewis throws right handed and is reputed to be one of the best pitchers in the country outside of professional base ball.

Arch Pittman or Bennie Ford, both dependable hurlers will start for Hamlin.

Probable starting line-ups will be: HAMLIN—Tabor ss, Ensey 2nd b, Harris lf, Abbott c, Weeks 3b, Rowland 1b, Allen cf, Portwood or, Stewart rf, Pittman or, Ford p.

MUNDAY—Rayburn lf, Couch 2b, Moore c, Kuhler 3b, McGlothlin rf, Coffman cf, Scott or, Wilde 1b, Ratliff ss, Lewis p.

Hamlin is now leading the league—the standing follows:

	Won	Lost	Pct.
Hamlin	4	1	.800
Haskell	3	2	.600
Munday	2	3	.400
Anson	1	4	.200

HAMLIN SLAMS OUT 18-2

VICTORY OVER MUNDAY

Hamlin hit four Munday pitchers hard at Munday last Sunday to take the game by a score of 18-2. Allen and Portwood connected for circuit cloouts, with Abbott leading the attack with four safeties. Although allowing 12 hits Bennie Ford tossed well for Hamlin in the pinches until relieved in the 8th by Pittman.

Box score:

	AB	R	H	PO	A	E
Hamlin—						
Tabor ss	7	1	2	1	2	1
Ensey 2b	6	2	2	2	3	0

Hamlin 205 204 014—18

Munday 200 000 000—2

SUMMARY: Runs batted in—Abbott 4, Rowland 3, Portwood 3, Stewart 3, Allen, Weeks, Pittman, Kuhler, McGlothlin. Two base hits: Abbott 2, Weeks, Rowland, Ensey.

Three base hits: Kuhler, Abbott.

Home runs: Allen, Portwood. Sacrifice hits—Allen. Stolen bases—Couch 2, Ensey, Weeks, Rowland, Moore. Passed ball—Moore. Hit by pitcher—A. Ford by Moore. Bases on balls—Off Robertson 2, Jarvis 1, B. Ford 1. Struck out by Robertson 2, King 1, Jarvis 1, B. Ford 3, Pittman 4. Hits and runs off Robertson 10 and 9 in 5, King 3 and 2 in 1, Jarvis 5 and 3 in 1, Moore 4 and 4 in 2, B. Ford 12 and 2 in 7, Pittman 1 and 0 in two. Left on bases—Hamlin 10, Munday 14.

Double plays—B. Ford to Abbott to Rowland, Couch to Scott. Umpires: Peek and Anderson. Time of game 2 hours 4 minutes.

TOMATO PLANTS

Lots of good strong tomato plants for sale at the bed, 4 miles east of Hamlin, on old road to Anson, 30c per 100.—C. C. RENFRO.

L. L. COWAN IMPROVING

Mrs. L. L. Cowan reports Mr. Cowan improving in the Veterans' Hospital in Muskogee. Mr. Cowan has been there since May the first. He requests the Herald to say for him that he is truly grateful to the Hamlin Legion men and friends in Hamlin for their many acts of kindness to him during his illness. Perhaps in a few weeks he will be able to return to his home.

HAMLING GIRLS IN

SIMMONS GET DEGREES

AILENE, May 25.—Lola Lee Milstead and Eula Tyler Snively of Hamlin are candidates for a B. A. degree from Hardin-Simmons University, June 2, Mrs. J. A. Beard, university registrar, has announced.

More than 100 seniors will receive degrees at the forty-fourth annual commencement exercises on June 2, in the university's main auditorium. Members of the August graduating class will also be recognized at the June exercises although diplomas will not be given until August. —Simmon's News Service.

HAMLIN BOY WORKS ON

FASTEST AMERICAN TRAIN

F. E. (Buddy) Kirkland writes his parents, Mr. W. A. Kirkland and wife, that he is now a passenger brakeman working out of Winslow, Arizona. That last week he got a thrill out of making a run of some 300 miles on the Santa Fe's Super Chief that runs between Chicago and Los Angeles, California, and the fastest train in America today. Buddy writes that on the Division that he worked with this train that it made an average of 72.9 miles per hour, and that Mr. Bledsoe, the president of the Santa Fe System, and who was a passenger on this train said that it could make even better time. Congratulation to Buddy, a Hamlin boy, for the opportunity of helping to steer America's fastest train.

CLUB MEETING

The South Hamlin Home Demonstration club meets May 27, with Mrs. S. C. Ferguson, at 2:30 P. M. Come.

Mrs. R. O. Houghton, of Abilene, Mrs. T. M. Homesley and little daughter, Helen, of Paducah, were guests Tuesday in the home of Mr. Mrs. John T. Day. Mrs. Houghton formerly lived in Hamlin and during the day a number of her friends called to see her.

Mrs. J. L. Keen who has been visiting her son, Morton Keen and family returned Wednesday of last week to Hollywood, California. For the past three years Mrs. Keen has made her home in California, but she still retains large farming interests near Hamlin.

A. E. Adkins, of Electra, is here to visit his brother, J. B. Adkins, and other relatives.

T. T. BRADY DIED LAST FRIDAY

One of the prominent ranchmen and farmers of the Flat Top community, T. T. Brady, passed away at his home on Friday, May 15, at 4:00 P. M., age 77 years, 8 months and 9 days.

Funeral services were held at the Church of Christ, of which he was a member, on Saturday afternoon, conducted by the minister, Woodie Holden, and burial was in East Cemetery, Hamlin, by the Barrow Directors.

Mr. Brady was really a pioneer of this section of Texas. He was a Texan and a man with a great heart of gold. He was born in Wood County, September 6, 1859. Fifty years ago he came to Stonewall County, but it was not until 1913 that he entered into matrimony, being united in marriage to Miss Eula Busby of DeLeon, on April 29.

Mr. Brady is survived by the wife and eight children. One child died in early life. The children are: T. T. Jr., Charles, Mae, Thomas, Henry, Lois, James and Rose Marie, all of whom resided at the family home.

Mr. Brady had been a Christian from the age of 21 years. He was a home-maker, devoted husband and loving father.

Information came Wednesday that the little son, James of Mr. and Mrs. Jim Peel, died at his home in Rotan, from pneumonia. He was perhaps eight years of age. Relatives of Hamlin and community went to attend the funeral in Rotan Thursday afternoon.

The Texas Cafe is in new hands these days—Mr. and Mrs. Vaughan Knox leased this cafe recently and have remodeled and renewed and it now looks like a new place. Mrs. Roan Smith formerly operated the Texas.

Coy Magee, who has been with the Sweetwater Cotton Oil Co. for the past three years or more has come home to be with the Hamlin Cotton Oil Mill. Coy is one of Hamlin's finest young business men and his oil milling experience fits him well for the Hamlin office.

Mr. and Mrs. W. T. Jennings and Mr. and Mrs. E. E. Jennings, of Stockton, California came Saturday to visit Mr. and Mrs. Roy Garner. E. E. Jennings and family formerly lived in Hamlin.

A fine eight pound boy was born to Mr. and Mrs. C. E. McFarland, on Friday, May 15 at the Hamlin Hospital. His name is James Oliver.

TO COMBINE MEN

—All kinds of sheetmetal work for your combines—made to order, just like originals. Also gas and electric welding, anywhere.

ANOTHER LETTER FROM

REV. J. A. YOUNG

McAllen, Texas, May 18, 1936
Hamlin Herald:
Dear Mr. Pope:

We tarried under the almost tropical sun longer than we expected, but we think we had a lawful excuse for so doing, which I shall mention later on. It is generally admitted among the tourist of the Valley, that if you have not seen the Cactus Garden, you have not made the perfect circuit. So we turned our car in that direction. It consists in something over an acre of ground, and is owned and operated by common farm people and it is a mystery how they can run their farm and carry this as a side line, and wait on customers every day. They have over fifteen hundred varieties, and range in size from that of a man's finger to that of fifteen feet in height, and vary in price from five cents to fifty dollars. Their market is principally in New York, China and Japan.

We also visited the Southern Bakery, located in Harlingen, Texas and their brand is: "Rain Bow Bread Is Good Bread." Their daily output is from 1500 to 2000 loaves, besides delicious pies and cakes, but you cannot buy a single loaf, no matter how hungry you may be. They employ about fifty men and run some twenty trucks to deliver their products and run on such accurate schedule that they do not vary over five minutes, even forty miles from the plant, winter or summer.

Next in order was a visit to the McAllen Chamber of Commerce, where the Centennial exhibit from Hidalgo, Cammeron and Starr Counties was assembled. It consisted of

minerals, three hundred different kinds of grass, 92 different varieties of wood, one table made from Valley wood that had 2,700 different pieces in its construction. In addition to this collection was a table brought from Jerusalem, that had 3600 pieces in its construction. It did not belong to the Valley assembly but was brought here by a lady who had visited the orient, and it took a family of eight persons eight years to make it. In addition to other things too numerous to mention, they sent to the Centennial Exhibition nineteen large grape fruit trees bearing fruit, and the trees with their dirt weighed from ten to twelve thousand pounds. In all it was estimated that 21 railroad cars would be needed to transfer them to Dallas, but for some reason (unknown to me) most of them were sent by truck.

Next comes the Celebration at Brownsville, the opening of the Port of Brownsville, of which you have read in the daily papers of the State. It is indeed a great affair, it was this the writer wanted to see, especially the battle ship. There were two of those destroyers, one tanker, and a small coast guard cutter. The whole plan of this master piece of construction. This new port cost five and one-half million dollars. For the two jetties which protect the channel it required eight thousand five hundred car loads of granite and the separate rocks were required to weigh from eight to ten tons each. It was said by different officers of the U. S. Navy, that the Brownsville harbor is one of the best in the south.

The warehouse is 17,012x136 feet with double railroad tracks on each side. In all it is a wonderful structure and will mean much for the ties was assembled. It consisted of

ful part of our great state.
Respectfully,
J. A. Young.

QUESTIONS ON OLD AGE ASSISTANCE

(From the Texas Commission)

This is the second of a series of questions that the people of Texas are asking. Orville S. Carpenter, state pension director, answers them frankly and to the point:

Q.—How many people are there in Texas past the age of 65 years?

A.—Over 300,000.

Q.—Definitely, if Texas gave each one of these \$30 a month, would the Federal Government pay half of it?

A.—No.

Q.—If each of the 300,000 received assistance, where would the money come from to pay the bill?

A.—It would come only from the taxpayers of Texas.

Q.—Could we pay everyone past 65 years of age \$30 per month if we desired and were willing to do so without the millions that the Federal Government will contribute?

A.—No, we could not because the Old Age Assistance Amendment to the Texas Constitution provides for payments not to exceed \$18 per month per person.

Q.—Then \$15 per month would be all that we could pay if we gave everyone past 65 years of age assistance without the help of the Federal Government?

A.—Yes.

NOTE TO EDITOR: Questions you think bothering your readers will be answered direct to you if you write in.

JONES COUNTY'S FIRST CHURCH

ANSON, Texas, May 20. — This being Centennial year, it may be somewhat fitting that the celebration of the 50th Anniversary of the Organization of the First Church in Jones County was not observed at the proper time, namely, in the summer of 1933, but will be observed here on the second Sunday in June, as the 56th anniversary of the same, according to announcements made by the church last Sunday.

The Anson Baptist Church is the product of the "New Providence Baptist Church of Christ," organized in a dugout under a mesquite tree three miles southeast of Anson on land now owned by Dr. D. L. Stephens of Anson. Rev. G. W. Scarborough, who came to this County with his family in 1873, was the first pastor. He was the father of the Dr. Lee R. Scarborough, president of the Southwestern Theological Seminary at Fort Worth. Another Baptist Church was organized at a very early day near the home of the Scarborough's at Truby Mound. The first church building for the Anson Baptist stood on lot facing the east on the first block north and east of the square. The present brick building was erected in 1909 by Dr. J. H. Pace, now of Beaumont.

All former pastors and members and friends of the church will be asked to come back for the event. Committees on invitations, arrangements, and program have been appointed and have begun to function. A barbecue lunch with accessories will be served on Sunday.

LOOKING AHEAD

A young man proposed to a girl. She accepted him. He folded her in his arms and said: "Darling, is this the first time you have ever loved?"

"Yes," the girl sighed, "but it's so nice I hope it won't be the last."

Don't spend all your time getting ready to do what you don't.

Nervous, Weak Woman Soon All Right

"I had regular shaking spells from nervousness," writes Mrs. Cora Sanders, of Paragould, Ark. "I was all run-down and cramped at my time until I would have to go to bed. After my first bottle of Cardui, I was better. I kept taking Cardui and soon I was all right. The shaking quit and I did not cramp. I felt worlds better. I gave Cardui to my daughter who was in about the same condition and she was soon all right."

CARDUI

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

CUSTER'S REGIMENT

STATIONED AT FT. BLISS

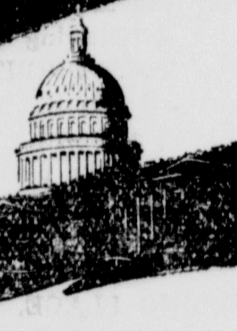

Stationed at Fort Bliss, Texas, is one of the famous regiments of the United States army, the Seventh Cavalry, known to old-timers as "Custer's Regiment," most of its action having been in the Indian country and on the Mexican border.

The regiment was organized in 1866 at Fort Riley, Kansas, and within a few months formed part of an expedition against Cheyenne and Sioux Indians in Kansas. The fight against Black Kettle on the Washita was the most notable in

their history. They were stationed in the Dakotas for a number of years and in 1876 partook in the fight known as Custer's Massacre, in which nearly 300 officers and men were killed or wounded. Following this encounter they were moved over the southwest from place to place and finally were stationed at Fort Bliss in 1917 where they now are. (This sketch was furnished us by the U. S. Army Recruiting Station, Municipal Building, Sweetwater, Texas).

Oscar Maples returned Saturday from Houston where he attended the State Convention of Embalmers and Funeral Directors.

CUTTING A LANE THRU THE DARK

Clearly, concisely
briefly:

The United States News presents the news of national affairs—organized for your convenience in special divisions as follows:

The Congress Week—what the House and Senate debated... measures passed... implications.

The President's Week—the visitors the President saw... the meaning of these conferences.

State of the Union—a five-minute explanation of the high-spots in the national news keeps you informed on the essentials.

The Political Week—up-to-the-minute reports on what the political leaders are doing and planning... the kettle boils.

What the Press of the Nation Thinks—a quick, interesting survey of public opinion, including the percentages of the press for and against on leading issues.

Washington Whispers and tomorrow—what is going on back of the scenes in the different departments, bureaus and "administrations"—the news behind the news!

Voice of the New Deal—signed articles by Administration spokesmen. Voice of Business—how business leaders view national problems and propose to solve them.

Trend of American Business—a remarkably complete statement of business conditions boiled down to a page.

AND IN ADDITION... A critical appraisal of the Washington scene by David Lawrence written especially for The United States News, and appearing in no other publication.

To Help You In Your Thinking

These are days when unprecedented things are happening in national affairs to affect you, your living, your income and your buying power.

The United States News, the weekly newsmagazine of national affairs, cuts a lane through the dark for you.

The United States News gives you, in from half an hour to an hour a week, a straightforward, connected narrative and interpretation of everything essential in national affairs.

So well does The United States News do its job of gathering, relating, condensing and explaining the important news that it is read regularly by more than 50,000 subscribers.

Thousands of business executives, organization leaders, thinking men and women, read it to keep posted.

LUTHER HARDEN HOME

BURNS IN SOUTH HAMLIN

Thursday morning about 2:30 the fire alarm sounded and the boys made a run to the Luther Harden home in South Hamlin to find it too far gone to save. Nobody was at home and the cause of the fire is not at present known. Mr. Harden had left that morning for Oklahoma City and his daughter was with an aunt. Everything was burned.

This was the first fire loss, of any consequence, Hamlin has had in a long time.

LOUIS BAILEY'S HOME NEAR SWEDONIA BURNED

The seven room, modern farm home of Louis Bailey burned last Friday at about 11:30 o'clock. No one was at home except Carl, age 10, who was busy counting out Hatchery eggs when he discovered the fire in the attic. Others were still in the fields but they, with neighbors arrived in time to save most of the household goods. No insurance.

Ted Russell, Assistant Cashier of the F. & M. Bank went to Houston, Monday to attend the State Bankers Convention. He will return this Friday.

NEWS FROM HERE AND THERE

Howdy folks, I'm back again after an absence of some time. Miss Altha Alford of Anson, visited relatives at Hamlin Sunday.

Mrs. A. R. Brown is visiting with her children and grand-children near McCauley and Hamlin.

Mr. and Mrs. C. B. Greenway and sons, Buford Doyle and Thomas Darrell, of Roby, visited Mr. and Mrs. O. R. Greenway Sunday.

Mr. and Mrs. Arza Brown and son spent Sunday with Mr. and Mrs. A. T. Carson and family.

Mrs. Fred Carson of Hamlin, went to Houston last week.

Mr. John Doyle Rowland is feeling "swell" with a good case of mumps.

John Johnson, an ex-Hamlin boy, has landed in South America. This was his first long trip on the waters since he enlisted in the navy.

O. C. Fisher left Monday morning for Munday, Texas.

Mr. and Mrs. Lloyd Burnett and daughter, Bobbie, formerly of Hamlin, are now in Mississippi.

Mrs. Bonnie Bingham went to Comanche during the week-end.

—The Rambling Reporter.

Mr. and Mrs. E. Clyde Smith and daughter, Miss Phyllis, and Mrs. J. L. Winter and son, Joseph, of Merkel, were here Sunday to visit friends.

ABILENE, TEXAS

JOE SIMPSON BUILDING GROCERY STORE

There's progress in Hamlin town. This is evidenced by more than one kind of building. Up on Central Avenue, and corner of First Street, Joe Simpson is having a new structure erected for his grocery and service station. Contractor Faurey has the work far along now, and soon Joe will move a block farther south into his own house. It is 24 feet by 50 feet and will be very modern—double drive-in, double parking, with several other features the public will appreciate.

It now looks as though Central Avenue will some day become a street of some kind of business houses from one end to the other. That would mean from the Katy rail road south to California Creek, south of the Santa Fe. In a few more months the entire Central Avenue, a mile or more, long will be hard surfaced, making of it an "international, Highway link." The Herald predicts that some day, before the next Texas Centennial, the center of Hamlin's business district will be where Highway No. 92 crosses Highway No. 4. Why not, business needs room both ways. While we are talking about Central Avenue, let's call your attention to more civic pride on that street. Look what a lot of paint and other drolling up means to the John T. Day home. Look at the Hamlin Hospital improvements, look at the Pardue home, and in fact we could say something complimentary about a number of the homes on that street. Take a ride and look. We also could mention some places that need "civic attention." It takes work and time to make a pretty street. What street in Hamlin would take the prize for looks?

Here's a bit of warning—from here out the Herald man is going to "Ramble 'Round," we'll see what we see. If you don't want it mentioned don't let it be seen. We like civic pride, whether private or city. We may get a "licking for being plain," but we, like weeds, can grow some more skin, so it will take a lot of chopping to keep us down. Let's all work together, skin the trash away. Paint up and expand a little elbow grease, and our town will look better, and we'll all feel better.

"Carl Young Jr." That is his name, and his birthday is May 3. This young "Young" is 26 days old today. Regret it, young fellow that this good news item did not appear on May 8. Your fond father gave the Herald man a significant "whistle" on or about a few days later—we answered the whistle later and Carl Sr. had hustled off to assist some customer—little did we think then that the cheery whistle meant a fine son had arrived—anyway congratulations—hope you like Hamlin.

SALE OF NEW TONIC IS A SENSATION IN HAMLIN

Sufferers from "Run-Down" Condition Test Doctor's Prescription at Inzer Pharmacy

The importance of good health to all of us is indicated in the increasing numbers of Hamlin people who are visiting the INZER PHARMACY to take advantage of the remarkable offer being made to try the doctor's prescription, Williams S.L.K. Formula. This new tonic preparation, which has been creating a sensation, if offered on a basis that the first bottle must produce results or money back. Men and women who have had indifferent benefits from other tonic preparations declare that this new tonic helps them to "feel better in just a few days than they had felt for years." Williams S.L.K. Formula helps build red blood corpuscles so necessary to energy and strength. It acts as a mild stomach tonic, tones up the system, and has a mild laxative and diuretic action, thus assisting in the elimination of poisonous matter. Being a liquid highly concentrated, it is easy and pleasant to take, starts to work almost immediately, and is very economical to take. One teaspoonful, with water, makes the equivalent of a brimming glassful of tonic and system cleansing elements. If you feel weak, "run-down," lacking ambition, appetite and "pep," get a bottle of Williams S.L.K. Formula today and start taking it. For Sale EXCLUSIVELY at

INZER Pharmacy

If you have to love your work to be happy, there are a lot of unhappy people in the world.

NEINDA H. D. CLUB

IN MEETING

Neinda Home Demonstration Club met in call session last Monday afternoon at the home of Mrs. Geo. Poe, with the president, Mrs. Carlton in charge. Crowd was led in singing song by Mrs. Whitenburg. After a brief business session the meeting was turned to Miss Jewel Faulkner who had everything ready to give a demonstration on quick breads. After the breads were made and eaten, our hostess lead in playing a few games. Members present: Mesdames H. C. Hodnett, F. W. Poe, Gene Boyd, J. E. Watson, C. D. Bingham, J. E. Johnson, Kerr Whitenburg, Bob Milstead, Earl Kirk, Marvin Carlton, George Poe, Audrey Hodnett and Miss Mavane Johnson and Jewel Faulkner.

NEINDA H. D. CLUB

A plan for making money had to be worked out by the Neinda Home Demonstration Club. As some clubs of Jones County were entertaining the business clubs of their city, we decided why not try this plan. So on Thursday night, May 14 at 7:30, everything was all set to give the Rotary club of Hamlin a real treat. Mrs. F. W. Poe's home was the scene of the supper. After everyone had eaten, a program was given by the Rotarian and the Demonstration Club. All the club ladies are well pleased with the results.

Guests were husbands of the club ladies; Miss Jewel Faulkner, Home Demonstration Agent; Mr. R. H. Maxwell, County Farm Agent, Anson; Mr. and Mrs. B. Carlton and daughter, Hamlin and Miss Judybeth Dozier. Rotarians and guests from Hamlin were Mesdames L. O. Steel, Carl Greenway, C. G. Green, J. E. Moody, Frank Waggoner, Ira Clements, R. B. Wiar, Mac Brundage, Tate May, Elmer Feagan, Jno. C. Turner, E. M. Wilson, S. D. McMahon, J. P. Morgan, Teague, Tom Williams, H. O. Cassle and Miss Marcell Jones, Messrs. Mac Brundage, Elmer Feagan, John C. Turner, Tate May, S. D. McMahon, J. E. Moody, R. H. Maxwell, T. A. Williams, Teague, Denman Morgan, Farrow Greenway, R. S. Rodgers, H. O. Cassle, L. O. Steele, C. G.

Green, W. A. Albritton, Frank Waggoner, Ira Clements and Arlie Cassle.

Neinda club want to extend their thanks to the Rotarians for their co-operation.

ATTEND LODGE MEETING

AT ABILENE

Several members of the Local Masonic Lodge attended a special meeting of the Abilene Lodge last Saturday night at 8:00 P. M.

Those attending from here were O. T. Brown, J. H. Foster, O. L. Cohorn, R. B. Morgan, E. C. Feagan, W. G. Routree, Coy Fielder, Tate May. A degree team from the A. C. Garrett Lodge of Dallas came out and put on a 3rd degree, the candidate being an Anson man. There were 550 Masons present from 67 different lodges. The degree team wore costumes in fitting with the work.

Refreshment were served at the close.

HELPS TAKE LOAD OFF OVERWORKED STOMACH

"Stomach Troubles," due to excessive acidity, are probably among the most common ailments of suffering humanity, but it is no longer necessary to suffer the discomforts caused by these acid conditions, without the benefits of a remarkably successful prescription, known as Gasa Tablets, now available at your drug store. Because of modern habits of eating foods too highly refined; eating too much; overwork, worry, nervous strain, and other causes, millions of men and women are suffering from disturbances of their digestive systems due to acidity and this is often the real cause of ill health, tired-out, run-down feeling, loss of "pep" and the zest for living. If you suffer from indigestion, atonic dyspepsia, sour stomach, gas pains, "raw stomach," inflammation of the intestines, (enteritis), gastric acidity and sick headaches, don't delay another day. Take Gasa Tablets and get relief. Gasa Tablets are intended to soothe the raw, inflamed lining of the "acid stomach," and to help convert starchy foods into dextrose, which is so essential to energy of the body, and preservation of health. For only a few cents a day, you may now have the benefits of this Doctor's Prescription which has helped so many other sufferers to a greater joy of living. Ask your druggist — the man you can rely upon for advice — for Gasa Tablets today. The first bottle must produce results or money back.

TEXAS STATE COLLEGE FOR WOMEN

New Zephyrs to Make Overnight Runs

THIS summer will see light-weight, stainless steel, Diesel-powered Zephyr type trains running 1,000 miles between Chicago and Denver on an overnight schedule that takes about ten hours, or one-third, off the running time of the fastest steam trains.

Two trains of ten cars each, not including two cars containing the power plants, are being built here by the Edward G. Budd Manufacturing Company, pioneer in

the development of light-weight, stainless steel construction. Known as the Denver Zephyrs, they will be operated by the Chicago, Burlington and Quincy Railroad between Chicago and Denver on a schedule that calls for leaving Chicago late in the afternoon and arriving in Denver in time for breakfast next morning.

Like previous Zephyrs, the new trains will weigh only half as much as comparable conventional trains

and hence will be less expensive to operate. The first Zephyr, a four-car train running between Lincoln, Omaha and Kansas City, reduced operating and maintenance costs \$45,000 in its first year of service and at the same time increased revenue \$75,000.

"Trains capable of covering 1,000 miles overnight have been inevitable ever since the first Zephyr demonstrated its ability to replace two conventional trains on a day-time run," Edward G. Budd, president of the company, said. "One of

these light-weight trains could easily make an overnight run between New York and Chicago, New York and St. Louis, New York and Florida, Cincinnati and New Orleans or between many other points that are 1,000 miles or so apart."

A.&M. SHORT COURSE

In making plans for the A and M Short Course, July 20-25, word has been received that the dormitory housing facilities on the college campus will accommodate something like 3000 people. This space has been equally divided between the 12 districts in the State to take care of that many delegates as sent by their respective clubs.

The allotment of space allows for 600 girls, 1739 women and the rest of the space for men and boys. This gives District 7, 154 women and 50 girls; 10 women and 3 girls to each county with home demonstration agents.

To date 9 women and 3 girls are signed up to go to Short Course from Jones County as delegates from the council, home demonstration and 4-H clubs.

These delegates are: Mrs. John Pustejovsky, South Stamford, Mrs. Fred Rosenbaum, South Hamlin, Mrs. Cora Carter, Lueders, Miss Irene Donnelly, Willow Creek, Mrs. Marvin Carlton, Neinda, Mrs. E. S. Johnson, Hanna, Mrs. Bert Jennings, Avoca, Miss Lillie Blair, Delk and Mrs. Robert Manly, Willow Creek, Council Chairman. The girls are Mary Louise Gandy, Avoca, Billy Jones, Carlton, and the winner of the Reporter's Contest which ends June 1.

"It just isn't any trouble to keep my beds made now that I have made my sheets long enough," said Mrs. K. G. Young, bedroom demonstrator in the Delk H. D. Club.

"After a demonstration on equipping, the care and making of beds, I came home and got my bed fixed up. I now have a slat for each row of coils in the springs, a spring cover, mattress cover and mattress pad, sheets long enough to tuck at both ends and make mitted or box corners," said Mrs. Young.

Mrs. Young is improving the walls, floors, woodwork and furniture. She plans to have her demonstration completed by June 11, at which time she will have her achievement program.

"The arrangement of the furniture in my bedroom surely does improve the appearance as well as make the room more convenient and spacious," said Mrs. Henry Loop, Bedroom demonstrator in the Lueders H. Dem. club. The larger pieces of furniture had been setting across corners of the room and now they are arranged with the lines of the room.

BUILDS NEW CLOTHES CLOSET

"I'm so proud of our new clothes closet," said Johnnie Mae Brown, Clothing demonstrator in the Neinda 4-H Club. "The closet is quite large — has 2 sets of shelves for hats, and folded garments, two racks for hanging clothes, shoe racks and a hose bag. The closet is to be equipped with an electric light. "This makes it possible to find what we want any time," said Johnnie Mae.

GARDEN LOOKS PRETTY

"I just wish you could see my garden," exclaimed Fayrene Gardner, Neinda 4-H Club Garden demonstrator as she came into club meeting May 11. "The cucumbers are blooming and everything else looks pretty, too," said Fayrene. Fayrene plans to assist with rais-

ing the entire food supply, can and store the canned vegetables on shelves in the cellar. She will, in November, write a story of her years work, giving her plans, expenses, what she raised, canned, sold, ate fresh, or stored from the garden and the value of her years work.

INZER Pharmacy

Facing Springtime

By Gloria Lane

Painted by Marie DeVille, NBC singing star

ARE you planning to meet spring with a new face? Not actually, of course, but there are things that can and should be done to make yours a fresh, dewy complexion.

You know, winter months have not been particularly kind to your face. When you pass your hand over the skin, you can feel tiny bumps under the skin which means that you have been hoarding debris swept into the pores.

Renovating the face for spring means thorough cleansing and creating normal skin activity through proper stimulation.

Quite the simplest method is a soap and brush bath. Even a tender skin—unless there is some abnormal condition—is benefited. For your face bath, make a lather with a mild toilet soap and warm water. Use an egg-shaped complexion brush that is shaped to the face so that it will easily get in the crevices around the nose and mouth where most blackheads lodge.

With a rotary motion, massage the face thoroughly, not forgetting the forehead. Your skin begins to tingle and you feel the blood rush

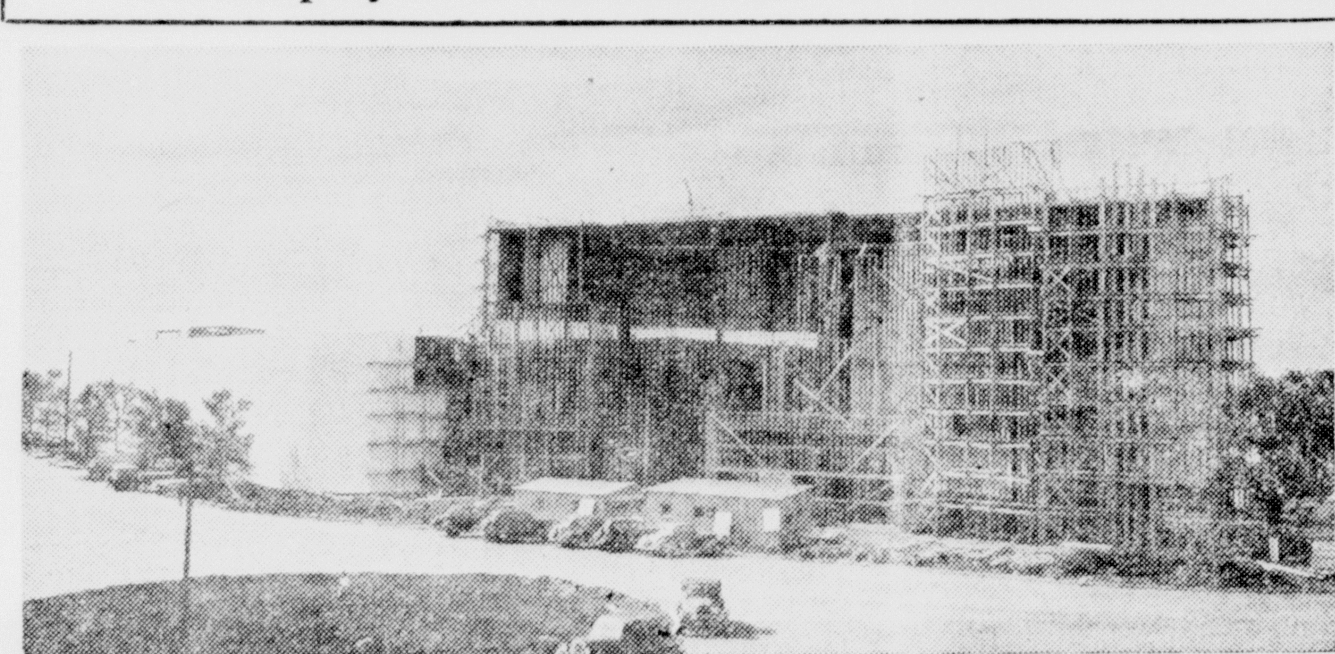

ing to the skin surface, assisting the little facial glands to throw off excess oil and secretions. The gentle penetration of the bristles loosens the dirt and oil which have become embedded in the pores and any hard little caps which have formed on the pores will be swept away, allowing them to throw off their waste and breathe again.

The egg-shaped complexion brush has bristles which are rounded at the ends so they do not irritate sensitive skins. The brush is recommended by dermatologists for skins with blemishes and acne as it is such a thorough cleanser.

Normal and oily skins can be brushed nightly with excellent effect. For dry skins, too much pressure should not be exerted and a good lubricating cream should be applied after the twice weekly treatments. Your skin is apt to feel drawn after the first few times, but this sensation disappears once it has become accustomed to the action of the brush.

Try a series of complexion brush treatments, and meet the spring with a radiant face.

Ford Exposition to Show How Southwest's Products Are Employed in Manufacture of Modern Motor Car

The opening in Dallas June 6 of the great Ford Exposition will show to the Southwest how its own products make the Ford, the Lincoln and the Lincoln-Zephyr automobiles possible. This unusual photograph well pictures the vast proportions of the Ford Exposition building, in which will be housed an exhibition showing how importantly Southwestern raw materials enter into the making of modern cars.

The huge Ford Exposition building, erected especially for the Centennial Exposition in Dallas, Texas, opening June 6, will be devoted largely to showing how importantly the raw materials of the Southwest enter into the manufacture of Ford V-8, Lincoln and Lincoln-Zephyr motor cars.

Forty-three thousand of a total of 55,000 square feet in the great air-conditioned structure will house an interesting group of manufacturing and testing exhibits, a pageant of transportation, dioramas showing the use of raw materials in the Ford plants, and an exhibit of the Henry Ford trade school at Dearborn, Michigan.

Displays carrying out the principal theme of the Ford Exposition show how such Southwestern products as cotton, mohair, wool, corn, cattle, soy beans, resin and rice are

employed in the making of Ford and Ford-sponsored automobiles.

Five hundred and fifty-eight thousand acres, producing 160 pounds to the acre, raise the cotton used in each one million Ford units. A working exhibit at the Ford Exposition will show how cushion tops for Ford V-8's are stitched at the average rate of one every five seconds—consuming annually more than 57,000,000 pounds of cotton. How some of the millions of pounds of cotton used by the Ford Company is processed in its final stage at the factory will be shown in the demonstration of the machine, known as the "multi-plier."

Used in making seat cushion tops and backs, the multi-plier can sew at one time as many pleats as desired. In producing Ford V-8 cushions, eight pleats are made simul-

taneously. At the same time, cotton batting is fed into the machine, sewed into place, and the cushion cover is sewed to the cotton sheeting. The machine in regular production makes 24,000 stitches a minute and turns out 12 to 14 cushion tops every sixty seconds. This machine is but one example of how Southern agriculture contributes to the automobile industry.

With the Firestone Tire & Rubber Company exhibit in the Ford Exposition building showing another important use of cotton, the making of fabric for tires, it is further revealed that for one million Ford units, 25,000,000 pounds of cotton are required. It has been estimated that in production of Ford units this year, approximately 112,000,000 pounds of cotton will be used.

VISITED TWO OLD-TIMERS
SUNDAY AFTERNOON

Say folks, this article is a combination of an editorial and a news item—for a purpose. First, did you know that there are several good old people in this community who are unable to make the rounds as of yore, and they are so lonesome and get so tired of the sameness all about them. Step in on them if you please and watch the delight on their faces.

The Herald man enjoyed such a visit last Sunday afternoon in two homes south of Hamlin while "rambling 'round."

If you go east till you get to the "Dry Callie Road"—there we go again, "Dry Callie." Well, anyway that's a good name for one of the most picturesque rural roads in this part of the county—you will enjoy the lovely fields on every side, many pretty homes, orchards, broad expanse of landscape—at least we did, especially Sunday afternoon.

Far up the road—and it is up, because this part of the county drains north—you come to the farm home of Mr. and Mrs. W. E. McLendon. We stopped to see Mr. McLendon, because he is one of the few men who can not be out as he formerly did. Several years ago he had a terrible misfortune of getting his left hand pulled off by a rope, fastened to a scared mule. Mr. McLendon fought a miserable battle even to live, and these days he is still suffering unimaginable pains in his arm and shoulder, besides with all that his eyes have failed him. Your voice will be remembered, and your presence will make his familiar smile appear again. Go and visit Mr. McLendon.

HAD MOTHERS DAY REUNION

Had we gone over that way a week earlier, we could have enjoyed the family circle. Then it was that EIGHT of their thirteen children were present. Thirteen children and all living. Those able to be with their parents that day were: four boys, Bryan and his little daughter, Margaret (Bryan is also an invalid) Clyde McLendon and wife and little son, Larry; Paul and wife.

Four daughters were there that day: Mrs. Mattie Fielder and son, Roy of Anson; Mrs. L. E. Bookman, husband and daughter, Paula, of Cisco; Mrs. J. S. Safady of Lovington, New Mexico and Mrs. Jimmy Andrus, husband and son, Edward. Two grand children, Gene and Ruth Ann of Fort Worth were present.

GRANDPA J. E. FOOTE VISITED

Farther south, over on Highway No. 15 is another home that enjoys friendship and sympathy. Mr. J. E. Foote, who has fought a long battle of life, reared a large family, but now in the upper seventies and very feeble—can't walk. But he can read and see everything that comes along. He still has a "million dollar" smile, and how he does enjoy a chat with old friends. Mr. Foote displays his Irish grit, shows fire and spirit, in the very face of great odds against him. A visit with him will help him as much or more than anything else.

It is so easy to live a selfish life—and it means so much to radiate our cheer among those who need it. A jovial spirit carried into an invalid's home encourages one to keep it up. Let's remember those whose eyes are so dim, and those whose limbs are now unable to carry the body. Some day you—may get that way—then what? Take a ramble, see the lovely country, notice what mother nature doing for old ungrateful man, return to your home with a deeper feeling of appreciation for health and comfort.

Texas Exposition
150 Per Cent Over
Original Size Plan

Chrysler Contract Puts Dallas
World's Fair on Top in
Motor Exhibits

DALLAS, Texas.—The Texas Centennial Exposition today turned the home stretch toward its June 6 opening, two and one-half times larger than its sponsors originally anticipated.

From \$10,000,000 value, estimated when the project was begun, the first World's Fair of the Southwest, has grown into a \$25,000,000 affair, the steel framework of its construction jobs stretching down mile after mile of parallel courses.

New Building Ordered

With the signing of the Chrysler Motor Corporation for a huge display space the Exposition boasts the largest motor exhibit ever shown at a World's Fair.

Originally the \$400,000 Hall of Transportation was intended to house exhibits of both transportation and petroleum industries.

So large was the space taken by Chrysler, however, that Exposition officials were forced to hurriedly realign their plans and build a separate Hall of Petroleum.

Ford, with its own building, General Motors, with a huge, air-conditioned auditorium where changing shows of radio and stage stars will be presented in one-week engagements throughout the June 6-Nov. 29 Exposition period, and Chrysler with an elaborate participation in the making, will give Dallas a record-breaking representation of the motor industry.

Livestock Also Featured

Further, the big fair will boast the largest livestock show ever assembled.

Other exhibits keep the pace, with the big display space at a premium and officials assured of an exhibit "sell-out" long before the opening day.

The City of Dallas, the State of Texas and the Federal government are keeping step with their important Exposition building programs.

W. A. Webb, general manager of the Exposition who holds an international reputation for his railroad construction work, has announced every building will be completed by the June 6 opening date.

The spirit of the Old West will be recreated at every turn.

In a city as metropolitan as any in the nation, the frontier days will live again.

Ten-Gallon Hats Epidemic

Ten-gallon hats are blooming on every corner. Service stations are garbing their attendants in the cowpuncher's regalia. Department stores are clothing their elevator girls in cowgirl uniforms similar to those of Exposition Rangerettes. Other stores are donating the big hats to their employees with instructions to wear them on all occasions.

Even the Exposition police will be in full Old West attire.

The Texas Rangers will have a camp on the Exposition Race Track, with a replica of an old Ranger bunkhouse as their headquarters.

Not a single detail has been overlooked by the Exposition chiefs in their efforts to make the Southwest's World's Fair the most colorful in history.

Canadian

Texas Centennial Exposition officials originally intended to have 48 Rangerettes on hostess duty when the \$25,000,000 World's Fair opens in Dallas June 6. When they found one of those selected came from Washington, D. C., they included Mexico to make an even 50. Now, not to overlook Canada, they have appointed Grace Louise Bailey, daughter of a Dallas publisher and born in Ojibwa, Ontario, near Windsor, making a total of 51.

LITTLE LIGHTS
ON LIVING

By MARIA LEONARD
Dean of Women, University of Illinois
© Western Newspaper Union.

THREE REASONS

"HOW did you like my sermon this morning," inquired the young theologian of the little old Scotch lady walking slowly and tottering on a cane out of the little village church one Sunday morning. "I did na like it," she responded with full vigor and conviction. "I did na like it for three reasons!" "What are they?" inquired the young student preacher becoming more and more interested. "Weel," said the little old lady, stopping and planting her cane in front of her with a definite grip as if to punctuate her forceful sentence, "first, ye read it, second, ye didna read it weel, and third, it was, . . . it was," she began hesitatingly as if to spare his feelings, "it was na worth the reading."

Splendidly did this young theologian respond. Clapping her hand he said, heartily, "thank you, indeed, for your help; I am the one getting a sermon this morning instead of giving one."

Years went on, the young theologian in time became one of the golden orators, and great men of the cloth of his time. Always when speaking before a group of youth, he never failed to mention the greatest friend of his youth, as he loved to call the little old Scotch lady who, by her unafraidness and sincerity, up-stepped him professionally, for as he left the church that morning, he vowed secretly to overcome each criticism the little old lady had given in her three reasons.

Our friends are truly those who care enough to tell us of our faults because they love us more, not less.

I remember talking with a lovely young woman student, who had only one bad fault as I could see, nervously biting her fingernails. "Mary," I said to her one day, "I have something to say to you that will be worth pure gold to you, but you will have to ask me for it!" She looked out of the window and then turning suddenly, she said, "please tell me, for I know you do want me to succeed." I did tell her and also suggested a remedy even at a cost to her to keep her nails beautifully manicured until she mastered this habit. In a month she came gratefully smiling to show me her progress. "Life is only an adventure in understanding," if hearts are willing to give and receive, mutual benefit comes to each from the other.

Archie Cassle left Tuesday noon and Denman Morgan left Tuesday night for Fort Worth, where these young insurance men will be in attendance at a convention of Local Fire Insurance Agents.

TRUCKMEN ON
EQUAL FOOTING

ABILENE, May 25.—The man with the 1934 truck is to have just as good opportunity for a job on the W. P. A. project as the man with the 1936 model.

Such are the effects of a new ruling, announced here by the Procurement Division of the United States Treasury Department.

Under the new regulation, trucks on Federal projects must be operated by owners. Teams also must be driven by owners.

Purpose of the new order is to spread and rotate the work among as many as possible and do away with the practice of competitive bidding.

The new method will be for all truck and team owners in District No. 13 to fill out a certificate with the W.P.A. offices here.

A card file of those registered will be established and work allotted in rotation. Owner-operators will be allowed a maximum of 160 hours per month at the prevailing rate for the district.

"This throws the field open to anybody with a truck or team so long as they drive themselves," said R. C. Hoppe, in charge of operations for W.P.A., and explained that the ruling does not apply primarily to persons on the relief roll.

It is also pointed out that the new rule will prevent all work being given to those who have new trucks. All eligible and interested in District No. 13 are requested to register at once.

Mr. and Mrs. W. E. Rogers, who live on Highway No. 15, and son, Bury, were down to visit their granddaughter, Miss Florene Rogers, at Carlsbad a few days ago and they say she is improving satisfactorily.

McCAULEY NEWS

It came a light shower, Monday evening.

Mr. and Mrs. Frank Houghton and children spent Sunday with Mrs. Houghton's grandmother, who lives near Rotan.

Mrs. Guy McNeal Jr. and children of El Paso came Sunday to spend a two weeks vacation visiting her parents, Mr. and Mrs. W. F. Davison.

Little Lucille Rhotan of Rotan is visiting her grandparents this week. D. C. Mills and family were shoppers in Sweetwater Saturday.

Our school closed last Friday and the teachers went on their way for the summer. Miss Butler returned to her home at Clyde; Miss Harrell to Panhandle; D. L. Smith with his family will spend the summer in Abilene. Mr. Hart returned to his home in Canyon; Miss Ura Tate to Lubbock and Miss Kenna Rector will attend school at Hardin Simon University this summer; Mrs. Beard is moving to Hamlin and the other teachers will be in our community for awhile as far as we know now.

The following Seniors received their diploma at the commencement exercises, Friday night, May 15, 1936. June Davison, June Barton, Lucille McCasland, Paulie Shurtliff, Melva Miles, Manon Jayroe, Elaine Moss, Era Mae Martin, Vivian Pearl and Louise Earl Madden, Doyle Berry, L. C. Houghton.

Mrs. J. D. Moss, who has been here for the past weeks visiting Mrs. A. E. Pardue and other friends, returned to her home in Denton Sunday. Miss Roberta Moss, librarian in the Teachers College in Denton, came Saturday to accompany her mother home.

Mrs. Charles D. Russell, formerly of this city and known as Miss Martha Miller, writes to have her paper addressed to 621 A. North 14th Street, East St. Louis, Ill. Mrs. Russell reports that her grandmother, Mrs. R. Sutherland, who is the mother of Mrs. Lem Miller, is seriously ill in the Research Hospital. Mrs. Miller is with her mother.

WISE CHAPEL ITEMS

Here we come again, after an absence of several weeks.

Most of the farmers have their cotton planted.

Another good rain fell Monday afternoon.

Mr. and Mrs. Iris Tredwell and daughter of Plainview, Mr. and Mrs. John McClung of Hamlin, Mr. and Mrs. D. M. Harris and Mr. and Mrs. H. C. Harbor and Mrs. Joe Ward of Sentress spent Sunday with Mr. and Mrs. Johnny Agnew and family.

Mr. and Mrs. Earl Proffitt and Mrs. Nane Proffitt spent Sunday with Mr. and Mrs. Monks and family in Abilene.

Mr. and Mrs. Earn Jobe and family and Mr. and Mrs. Buddy Jobe and family were visitors in the home of Mr. and Mrs. Young in McCaulley. Mrs. Ralph Riddle is in the Abilene Hospital. She is slowly improving.

Mr. and Mrs. Earl Ray were called to Abilene because of the illness of Mr. Ray's sister, Mrs. W. B. Hampton, also Mrs. Hampton's daughter, both were in the Hospital.

Mr. and Mrs. A. P. Proffitt and daughter and Mrs. Garrett and grandpa Proffitt visited Mr. and Mrs. Verge Proffitt and family in Hamlin, Sunday.

Mr. E. Kirksey is suffering from a carbuncle on his shoulder.

Oscar Jenkins and family visited their daughter, Mrs. Earl Kiser in Sylvester, Sunday.

Mr. and Mrs. A. S. Joiner of Hamlin, visited Mr. and Mrs. J. W. Fomby, Sunday afternoon.

Mr. and Mrs. Dave Herbst took Sunday dinner with Mr. and Mrs. Miles Collins and family.

—Joyce.

DINNER HONORS

MRS. DUNN

Honoring Mrs. Cleve Dunn, who left Wednesday for Ruidosa where she owns and operates The Texas Cabins, Mrs. Frank Johnson, Mrs. Metta Haines, Mrs. Kate Ramey, Mrs. Lowell Ballew and Miss Freda Chastain were joint hostesses when they entertained Thursday evening May 14, with a dinner in the home of Mrs. Johnson's mother, Mrs. M. P. May.

Roses, snapdragons and larkspur were used to decorate the entertaining rooms and a pretty arrangement of roses and snapdragons formed the centerpiece for the foursome tables from which the three course dinner was served.

Place cards were tiny hand painted cabins, replicas of the Ruidosa cabins which Mrs. Dunn owns, known as the Texas Cabins and named The Bluebonnet, The Poppy, The Sunflower and The Yucca. Favors were small cacti in tiny red flower pots.

Besides the honoree, places were laid for Mr. and Mrs. W. C. Russell, Mr. and Mrs. Frank Johnson, Mr. and Mrs. Lowell Ballew, Mrs. Kate Ramey, Mrs. Metta Haines, Miss Freda Chastain, Miss Pauline Sanford, Mr. Jimmy Simmons, Mr. Hubert Via and Mr. Perry Sparks.

ARCADIAN CLUB ENTERTAINED

Mr. and Mrs. R. H. McCurdy entertained the Arcadian Club and other guests in their home Friday evening.

Roses and larkspur added to the attractiveness of the rooms where five tables were appointed for bridge. At the conclusion of the games Mrs. Pardue and Mr. Culbertson held high scores for the club and Mrs. Woodward and Mr. R. W. McCurdy scored high for guests.

The hostess, assisted by Mrs. R. W. McCurdy, served a salad plate with cake and iced tea.

Those present were Dr. and Mrs. A. E. Pardue, Mr. and Mrs. C. G. Green, Mr. and Mrs. B. L. Jones, Mr. and Mrs. Joe Culbertson, Mr. and Mrs. J. E. Moody, Dr. and Mrs. J. T. Bynum, Dr. and Mrs. J. F. Taylor, Mr. and Mrs. C. C. Prater, Mr. and Mrs. R. W. McCurdy, Mrs. M. T. Woodward and Mrs. D. J. Moss, of Denton.

MRS. BYNUM HOSTESS

Mrs. J. T. Bynum was hostess to the Twentieth Century Club in her home on Union Avenue, Thursday afternoon, May 14, including Mrs. J. D. Moss, of Denton, as a guest.

Roses and other spring flowers decked rooms where three tables of contract were in play. High score

was made by Mrs. C. C. Prater.

A plate holding sandwiches, fruit salad, chocolate cake and iced tea was served to Meses. Moss, J. F. Taylor, R. H. McCurdy, B. L. Jones, C. C. Prater, J. P. Morgan, Fred B. Moore, W. R. Calhoun, Q. Martin, A. E. Pardue, H. O. Cassle and C. G. Green.

MRS. WILLIAMS HOSTESS

FOR BRIDGE

Roses, larkspur and snapdragons were used to decorate rooms in the home of Mrs. Tom Williams on Lake Drive when she entertained Saturday afternoon with three tables of contract. High score was made by Mrs. John T. Day.

Following the games strawberry ice cream and cake was served.

Those playing were Meses. John T. Day, J. W. Ezell, Bowen Pope, J. E. Moody, H. L. McBride, D. D. Harden, M. T. Woodward, J. D. Moss, B. L. Jones, C. C. Prater, A. E. Pardue and J. P. Morgan.

STITCH AND CHATTER CLUB

The Stitch and Chatter Club was entertained in the home of Mrs. H. L. McBride Thursday afternoon of the past week. Roses and other cut flowers decorated the rooms where guests spent the hour sewing and chatting. Two members, Mrs. Calvin Smith and Mrs. Frank Williams, were honored with handkerchief showers.

An attractive plate of sherbert and cake was passed to Meses. Joe Simpson, Harold Bonner, Tom Teague, Coy Fielder, Roy Garner, John Vaughan, W. R. Wilkerson, Paul Cain, Otis Hopper, J. H. Stephenson and Miss Eleanor Temple.

BLUE BONNET CLUB

ENTERTAINED

Misses Allie and Pearl Whitley were hostesses to the Blue Bonnet club in their home on Union Avenue, Wednesday afternoon, for the final meeting of the club season.

Sweet peas and roses decorated rooms where guests spent the afternoon at bridge. High scores were made by Mrs. J. C. Culbertson and Mrs. R. B. Wiar.

A salad plate with iced tea was passed to Meses. George Bender, W. J. Poe, D. J. Payne, D. O. Sauls, J. C. Culbertson, Oscar Maples, F. D. Wells, Walter Cluny, R. B. Wiar, J. O. Jones and Miss Lulan Vaughan.

SCHUBERT MUSIC CLUB

CLOSES YEARS WORK

WITH LUNCHEON

The Schubert Music Club concluded the season's activities with

a luncheon at the Overton Hotel last Saturday. Mrs. W. C. Russell, retiring president, presided at the T-shaped table which was decorated with roses and larkspur, during luncheon and the business meeting which followed.

In this business session minutes of previous meetings were read and all officers made final reports. Probably the most interesting of these was that of Miss Edwina Gilbert, director of the choral club. She recalled the twenty-seven program enterprises of the past year, making it an outstanding one in the club's history. Of this number, five were given during Music Week, others for the Parent-Teachers Association, the Rotary and Lions Clubs, the Masons, one for Commencement, a program in Tuxedo, another in Rotan. From Abilene the club had a group give a program of music from the Opera "Il Trovatore;" it was a Guest Day meeting. The Club also had a state officer, Miss Inez Reedy of Bowie, president-elect of Texas Federation of Music Clubs, to visit and speak on Federation work. The remainder of the programs were for regular meetings.

A report on the recent state convention in Fort Worth was given by Mrs. Maurice Smith. Mrs. Smith also announced the standing committee for the coming year.

The following officers were installed:

Mrs. Smith, president; Mrs. Joe McCrary, vice-president; Mrs. Henry Albritton, secretary; Mrs. H. L. McBride, corresponding secretary; Mrs. Tom Vaughan, Treasurer, Mrs. Sam Hardy, critic; Mrs. Harold Bonner, librarian; Mrs. Clinton Barrow, reporter; Miss Edwina Gilbert, choral director; Mrs. Russell, accompanist.

All the above were present, except Mrs. McCrary, and in addition: Mrs. J. F. Moody, Mrs. Turner Bynum, Mrs. Mart Farrow, Mrs. Q. Martin, Miss Laura Q. Martin, Mrs. C. W. Griggs, Mrs. Gordon Bennett, Mrs. W. J. Cluney, Mrs. W. S. Pike, Jr., Mrs. Bill Rountree, Mrs. L. B. Rector, Mrs. Frank Campbell, Mrs. R. B. Wiar, Mrs. Ira Clements, and Mrs. Roberts.

SILVER TEA

The Schubert Club gave its annual silver tea as a Centennial tea on May 8th at four o'clock at the Methodist Church.

The club members were dressed in costumes of 100 years ago and the auditorium lovely with its flags and native flowers.

The guests were greeted at the door by Mrs. Q. Martin and Mrs. J. E. Moody and in turn presented to the president, Mrs. W. C. Russell, who headed the receiving line of the club's officers composed of: Mesdames Maurice Smith, Tom Vaughan, Henry Albritton, Joe McCrary, Turner Bynum, Harold Bonner and Miss Gilbert.

The registers which were embellished with Texas flags and blue

MISS MINNIE LOLA RUMFIELD

MARRIED TO MR. CECIL BROWN

Last week the Herald could have carried the news of the marriage of Miss Minnie Lola Rumfield and Mr. Cecil Brown, but no intimation of this important event was available until after Friday.

The marriage of this couple took place in Anson on Monday, May 11th, in the home of Rev. Priddy. Only one other couple, Mr. Harold Miller and Miss Elaine Foote was present.

The bride is a daughter of Mr. and Mrs. C. S. Rumfield, recently residing in the Boyd Chapel community but now of Spur. She is an accomplished, attractive young woman, a graduate of the Neinda school, 1933. Mr. Brown is a son of Mr. and Mrs. Horace E. Brown of this city, was a member of the graduating class of Hamlin High School, 1930.

Mr. and Mrs. Brown will make their home in Hamlin.
